

INSTITUTIONAL DISTICTIVENESS

Healthcare Awareness Programmes to serve the Society:

At SKNCOPT our mission is to ensure **quality healthcare** to the community and **quality education** to the students, which is not limited to only academic performance but also to sensitize them to serve the community with empathy. To move towards this goal we took a small but thoughtful step by celebrating various healthcare awareness days.

<u>Programme</u>	<u>Duration</u>	<u>Purpose</u>
Breast feeding week	1 st August to 7 th August 2018	Importance about benefits of breastfeeding & learn breast feeding techniques to have healthier mothers and children.
World Elderly Day	12 th October 2018	At a Senior Citizen Home, students leped with better body mobility, involved them in various cognitive, psychomotor and recreational activities.
World Bone & Joint Week	12 th to 20 th October 2018	Our UG & PG students gave posters presentations and lectures in hospital premises for awareness about aging changes in the joints, bones and backbone.
World Alzheimer's Day	10 th Sept 2018	Our students played and taught memory based games on mobile application with the elderly.
World Cerebral Palsy day	6 th October 2018	Our students participated in intercollegiate street play competition. SKNCOPT students won the first place. Students were felicitated by well-known singer Usha Mangeshkar.
World Heart Day	29 th September 2018	Our fourth year students and Interns portrayed the benefits of lifestyle modification and diet modification on heart health in the form of an entertaining skit for the patients and their relatives in the hospital premises.
World COPD Day	13 th December 2018	PG students held an interactive lecture and demonstrated with various techniques on importance of exercise in COPD.

Supporting Students to become Sports Physiotherapist:

One of the elements in the vision of our institution is to have “**A superior educational ambience for our students & faculty**” and it's achieved by having a balance among curricular, co-curricular and extra-curricular activities. We believe in their holistic development. Sports inculcate a habit of discipline, responsibility that aids in formation of proficient physiotherapists which is our mission. In the year 2018-19 our students bagged many medals. The summary of those events is as below:

Principal
Smt. Kashibai Navale
College of Physiotherapy
Narhe, Pune - 411 041.
